2026 CGA JUNIOR POINTS LIST POLICIES

Junior Player of the Year Honors – The Junior Boys and Girls Players of the Year will be selected by the Team Colorado Committee at the end of each season. Total points earned will help guide the Committee in their selection of a Player of the Year, but it will not necessarily be the player with the most points (i.e. the honor is for the Player of the Year rather than a points race). The Committee, in its sole discretion, may consider other factors when selecting a Player of the Year.

Team Colorado Selection – Visit <https://www.coloradogolf.org/team-colorado/> for eligibility and Team Selection criteria.

Event Playoffs – When an on-course playoff of three or more players for 1st place occurs at an event, performance points will be split evenly among the players within the playoff that did not win the playoff/championship, regardless of the scores in the playoff.

Performance Point Awarding Deadline – Performance points for the current season are awarded through **October 31st**. Performance points requests that are submitted to the CGA after this deadline will not be awarded. Events that are held after this deadline will count towards the following season.

Events Considered – Events and their corresponding points allocations are found below. Players may be awarded points for other high-level competitions not included on this list at the discretion of the Team Colorado Committee. Results and a request for points must be submitted to Ashley at aharrell@coloradogolf.org. All points values will be determined solely by the Team Colorado Committee.
