

# **2019 CGA PLAYER OF THE YEAR POLICIES**

---

**COLORADO GOLF**  
ASSOCIATION

**Player of the Year Honors** – The Player of the Year in any given points category will be selected by the Tournament Committee at the end of each season. Total points earned will help guide the Committee in their selection of a Player of the Year, but it will not necessarily be the player with the most points (i.e. the honor is for the Player of the Year rather than a points race). The Committee, in its sole discretion, may consider other factors when selecting a Player of the Year.

**Colorado Cup** –The Colorado Cup is a team event held in the fall of every odd numbered year. This competition is a Ryder Cup style event that includes teams from the CGA (Amateurs) and The Colorado PGA Section (Professionals). The CGA team selection process will be based primarily on cumulative points standings in the two years between the Cup matches. The Tournament Committee, in its sole discretion, may consider other factors when selecting the Colorado Cup team.

**CGA Senior and Super-Senior Ages** – Beginning in 2016, the CGA began a year-by-year process of raising the age for Senior tournaments to 55 and Super-Senior tournaments to 65. Players who are 53 years old at the start date of any Senior tournament this year, or 63 at the start date of any Super-Senior tournament will still be eligible to compete in 2019 and each year going forward. The Senior and Super-Senior age will rise each year until ultimately reaching our 55 and 65 age bracket, for Seniors and Super-Seniors, respectively, in year 2021.

## UPDATES FOR 2019

- 1) All CGA Individual Major Championship wins in each age division have been set to 450 points for the champion
- 2) The CGA Individual Major Championship wins point table have been adjusted to have more exponential weighting for wins and high finishes
- 3) For “age down” finishes in certain events, a 20% multiplier will be added to the points received in that player’s age category. For instance, if a Mid-Amateur player earns points at the CGA Amateur Championship, they would receive 20% more points within the Mid-Amateur Player of the Year list.
- 4) USGA Individual qualifiers have been adjusted in each age division to award 150 points for the medalist. The “age down” multiplier as described in #3 will also be applicable for USGA events.
- 5) USGA championships are set at 1,000 points for a win, and specific values for each round in match play.
- 6) Club Hosted Events (Outside Events) have been reduced to award points for only the top 5 positions. Points are reduced by 50% if the field is less than 15 players in the Championship or Senior Flight or the tournament is reduced to one day.
- 7) Points for the CGA Western Chapter Championship for top 3 finishers has been raised.
