

2025 CGA Player of the Year and Performance Points Policies

COLORADO GOLF
ASSOCIATION

Player of the Year Honors – The Player of the Year in any given points category will be selected by the Tournament Committee at the end of each season. Total points earned will help guide the Committee in their selection of a Player of the Year, but it will not necessarily be the player with the most points (i.e. the honor is for the Player of the Year rather than a points race). The Committee, in its sole discretion, may consider other factors when selecting a Player of the Year.

Colorado Cup – The Colorado Cup is a team event held in the fall of every even numbered year. This competition is a Ryder Cup style event that includes teams from the CGA (Amateurs) and the Colorado PGA Section (Professionals). The CGA team selection process will be based primarily on cumulative points standings in the two years between the Cup matches. The Tournament Committee, in its sole discretion, may consider other factors when selecting the Colorado Cup team.

CGA Age Requirements: Mid-Amateur – A player must be 25 years of age or older as of the first day of a tournament.

Senior – A player must be 55 years of age or older as of the first day of a tournament.

Super-Senior – A player must be 65 years of age or older as of the first day of a tournament.

Age Down Multiplier – For “age down” finishes in certain events (noted on the respective allocation tables below), a multiplier will be added to the points received in that player’s age category.

For example, at the open CGA Amateur Championship, if a Mid-Amateur player earns points, they will receive 20% more points within the Mid-Amateur Player of the Year list. If a Senior player earns points, they will receive 40% more points within the Senior Player of the Year list. If a Super-Senior player earns points, they will receive 60% more points within the Super-Senior Player of the Year list.

CGA Championship Playoffs – When an on-course playoff of three or more players occurs at a CGA Championship, performance points will be split evenly among the players within the playoff that did not win the playoff/championship, regardless of the scores in the playoff.

USGA Qualifiers – All performance points for USGA qualifiers are based solely on total score and will be split evenly among all tied players, regardless of any on-course playoff results (whether for qualifying or alternate positions). Points awarded to professional players in U.S. Open and U.S. Senior Open qualifying will not be redistributed to other positions.

Awarding Window – Points for the season are awarded between Nov. 16 and Nov. 15 of a rolling calendar year. (Ex. For the 2025 season, only events between 11/16/24 and 11/15/25 are eligible for points)

UPDATES TO 2025

- Updates to U.S. Senior Open Qualifying points (two-stage model)
