

## Group Selection

The CGA strongly suggests that clubs form their own groups by contacting other clubs. If you do not create your own group, you will be paired by the CGA. Every effort will be made to group teams for regular season play within reasonable geographic distances.

The following clubs have formed a group that will compete together for the 2023 CGA Team Interclub Season. This letter must be signed by all four Team Captains. You may designate one Team Captain as the Group's Captain. If you do not do this, the CGA will designate a Group Captain.
