COLORADO

The Junior Golf Alliance, along with the full support of the Colorado Golf Association and the Colorado PGA, are partners with Youth on Course. YOC allows juniors to play your facility for \$5.00 or less (at the times you set) while the Junior Golf Alliance subsidizes remaining costs back to your facility! This is a great way to supplement your already incredible junior programs and attract new golfers!

ALREADY ON BOARD?

THANK YOU. You are providing life-changing opportunities for young golfers by helping us facilitate accessible golf.

READY TO JOIN THE FUN?

Visit www.juniorgolfcolorado.org for more information and to discuss the benefits this has for your facility and junior golf in Colorado.
